### About RoseCap

RoseCap Investment Advisors is a fee-only, independent, investment advisory firm. We provide portfolio management, financial planning, and retirement plan services to both institutions and individuals & families. While investment returns can never be guaranteed, RoseCap does guarantee that we will work with honesty and integrity to provide unprecedented client service and to do what is best for the client.

#### A Better Business Model

RoseCap chose to be an independent, fee-only, investment advisor because we believe this provides the best level of service for our clients. As an independent advisor, RoseCap is free from the influence of large institutions. Also, as a Registered Investment Advisor under the Investment Advisers Act of 1940 we are obligated to act as a fiduciary on behalf of our clients. Fiduciary duty is not only something that RoseCap accepts, but it is something we welcome. In addition to providing objective investment advice to our clients, we avoid selling high commission products such as life insurance and annuities to clients. Taking the role of a trusted advisor rather than selling investment products is something that is very important to RoseCap, and is hopefully important to our clients as well.

#### **Ethical and Professional Standards**

RoseCap has adopted a set of ethics codes, standards, and guidelines that we believe are among the highest in the investment industry. These include the CFA Institute's Code of Ethics and Standards of Professional Conduct, the Asset Manager Code of Professional Conduct, and the Global Investment Performance Standards.
